

# Engineering Infinite Possibilities

Established in 1962, Tata Consulting Engineers Limited (TCE) is India's Leading Integrated Engineering Consultant providing Concept to Commissioning services. With 10,000+ projects delivered in more than 63 countries over the last six decades, the Company has recorded a tremendous growth of 64% in new business acquisitions this year.

As TCE celebrates its Diamond Jubilee, the Company has truly lived the motto of Engineering Infinite Possibilities and holds the track record of delivering several one-of-its-kind projects backed by a solid knowledge base and technical expertise.

TCE, among the top 2 consultants in its core sectors - Power, Infrastructure and Resources is a well-diversified firm with equal distribution between Domestic and International projects. TCE continues to be a part of the Nation's Strategic Projects across Infrastructure, Transportation, Nuclear, Power, Defence, Space and Urbanisation.

The Company has multi-disciplinary engineering talent with capabilities to manage complex projects worldwide. TCE is among the few companies geared for the Industry 4.0 era, providing engineering solutions for the Industrial Internet of Things (IIoT).

Currently, TCE is executing projects (design, engineering and/or site services) at 130 sites across India and overseas. TCE has a dedicated talent pool with core engineering skills, thus serving as an integrated service model for its clients.

The Company's ability to manage complex projects, and experience in building cost-effective and environment friendly solutions, makes it one of the most sought after engineering solutions partner across the globe. TCE's Digital Engineering and 3D - 5D delivery models enable the Company to provide niche services tailored to client needs. This is underscored by several success stories in delivering client aspirations.
