In his free time, Rajeev enjoys music, movies and reading

With a career spanning more than 25 years Rajeev has an extensive experience in Risk Management, Consulting and Financial Services. A very meticulous individual Rajeev has a keen eye for detail - an essential trait for a Risk Manager. Rajeev's ability to grasp the business quickly enables him to provide holistic insights to business risks.

Rajeev Tanna is based in Mumbai, India and is the Head – Risk Management and Internal Compliance at Tata Consulting Engineers (TCE). In this role, Rajeev is responsible for Risk Management, Monitoring, Reporting, Internal Systems, Tools and Process Compliance and is accountable to the Board and Executive Committee of TCE. Rajeev is also responsible for building and deploying customised Risk Frameworks, integrating risk concepts into strategic planning, risk identification and mitigation across the value chain of the company operations comprising mainly of Bids and Projects.

Before joining TCE in 2018, Rajeev was working with Cairn, Oil & Gas SBU of Vedanta Limited from 2015 to 2018 where he was responsible for Risk Management framework development and deployment across the Strategic Business Units and Projects.

Previously he was working with GMR Group from 2009 to 2015 where he was handling ERM Framework development and deployment across the Group, Projects & Assets, Governance and Building a Risk Culture. Rajeev has also worked with Deloitte Touche Tohmatsu and Aon Global Insurance Services in various risk and consulting roles.

Rajeev's has played a large role in building a risk aware culture at TCE. An all in all "Risk Man" makes Rajeev a thought leader in this space. He has been sharing his experiences as a Speaker and Panel Member at various forums on Risk Management including CII, RIMS, NIA, NMIMS, etc.
