

Amazing tales of yester-years  
Are true for times to come  
A new day dawns upon us now  
We march to a new-age drum

Oh oh oh oh oh (2)  
Colours of Tata ,  
Blend as One  
At TCE.  
One for all,  
All for one,  
We are TCE.

It's our time now, Can't you feel  
To colour-up all our dreams  
There's so much drive and zeal  
Young n Smart , we're super teams  
On the path of truth we stay  
We are far ahead on the way  
All the S.T.E.M works of tomorrow,  
It's on show right here today...

Listen to the words of hope around  
Together we have come so far  
We can fix and mix and build and heal  
We rock like superstars...  
We are bound Strong as One  
For eternity  
One for all, All for one  
We are TCE....[Colours of Tata...]
