PERSONAL

In his free time, Guru enjoys
Painting, playing Tabla
(Indian Musical Instrument)
and a game of cricket

With more than 3 decades of experience in Corporate Finance and Accounting, Guru is the Chief Financial Officer (CFO) at Tata Consulting Engineers Limited (TCE), a wholly-owned subsidiary of Tata Sons Ltd. TCE offers a wide range of multi-disciplinary services in Design & Engineering and Project Management across several sectors.

As a CFO – TCE, Guru is responsible for providing useful financial insights to the management for formulating and executing Business Strategy. He is the voice of the company in communications to the Board as well as Group Center. He actively participates in Corporate Policy development and jointly with the Leadership team drives the Annual Budgeting and Forecasting process.

As a core member of the Risk Management activities at the corporate level, Guru actively participates in strategic decision making on projects to participate in and countries to do business with.

At TCE, Guru is also responsible for engaging the Board's Audit, Investment and other committees on financial delivery, providing timely commercial and technical advice to SBUs and managing the financial systems, processes and supporting IT enabled environment to effectively manage the role requirements. He is also responsible for developing tools and systems to provide critical financial and operational information to the MD and to the Board while spearheading the entire gamut of financial operations of the company.

Guru has about 3 decades of experience working with best-in-class organizations like L&T, Wipro, UTC-Collins, EDS, Conduent Inc. (formerly, Xerox / ACS) and now Tata Consulting Engineers (TCE)
