

Tata Consulting Engineers Inaugurates Delivery Centre at NCR

Chairman Mr Prasad Menon inaugurated the new TCE Delhi NCR Delivery Centre at Green Boulevard in Sector 62, Noida. TCE Delhi moved into the new facility on 14 May 2013. Green Boulevard, the swanky new delivery centre of Tata Consulting Engineers, is the world's largest, Platinum-rated, LEED certified, green building. Moving into a 'green' complex symbolizes TCE's aspirations of growth and sustainability.

The formal inauguration of the Delivery Centre was marked by the symbolic lighting of the lamp. The Chairman cut the ribbon and garlanded the statue of the Group founder, Shri Jamshetji Tata.

The special invitees to the event included customers, trade commissioners and dignitaries from embassies of Australia, Canada, Ethiopia, Namibia and Thailand.

The customer profile included senior executives of Hydro, Infrastructure and Chemical Business Units as well as local Developers. Senior executives from across TCE were present to support the NCR delivery

An exhibit highlighting TCE's ongoing projects was put up at the premises. Young engineers showcased their projects to the Chairman and the customers.

Senior Management addressed the employees and wished them success.
